

Texas Women in Economic Development Conference

April 23-24, 2024 ROUND ROCK, TX

Join us for the TEDC's Women in Economic Development Conference in April to learn from experts and peers and networking with colleagues!

Why Attend? This event will provide a supportive environment of leadership and excellence for women in economic development to learn, grow and be prepared to lead Texas organizations. You will hear from industry experts and peers about economic development, leadership and professional development.

Who Should Attend? Women in the field of economic development, or a related field, or anyone interested in economic development.
