## Josephine TX selects Mundo and Associates for Strategic Plan

May 9, 2019 - 10:53am

**Organization:**

Mundo & Associates, Inc.

Josephine Texas Community Development Corporation (JCDC) recently selected Mundo and Associates, Inc. to complete their first Strategic Plan for Economic Development. Jason Mundo indicated that Josephine Texas is in the fast growing eastern Collin County region of the Dallas-Fort Worth Metroplex. Josephine Texas while a small community, has a new residential master plan community Magnolia Pointe which is bringing up to 100 new homes and 300 new residents annually. Chairman of the JCDC, Lloyd Brown, attended the TEDC Basic Economic Development training. Lloyd knew that an initial step in developing an economic development program is to begin the strategic planning process. Mundo and Associates is pleased to be a part of this initial process.
