The Power of Knowledge and Leadership

The BEDC is an educational course on the fundamental concepts, tools and skills needed to be successful in today's political, economic and business environment. The BEDC will provide the participant with a comprehensive understanding of the keys of successful economic development. For those new to the profession, this course is the first step toward professional certification by the IEDC. The BEDC is accredited by the International Economic Development Council (IEDC). Each BEDC student is required to attend all modules of the course in order to receive a completion certificate.
