## ***Economic Development Sales Tax Workshops***

Our 2019 Economic Development Sales Tax Workshops are specifically designed for EDC Board Members and local elected officials. The 2019 workshops include information about economic and community development in general, and a discussion of changes to the Economic Development Sales Tax law that occurred during the 86th session of the Texas Legislature. There will be ample opportunities for Q&A related to your particular program and Sections 501-505 of the Local Government Code. We will also provide Open Meetings Act and Public Information Act certification as a part of this workshop.
